

**CAAC INCLEMENT WEATHER POLICY
AND CONTACT NUMBER SURVEY**
PER A REQUEST MADE BY MIKE CONLIN ON 12/4/06

SCHOOL	POLICY AND CONTACT NUMBER
Charlotte	Charlotte will play if we are not in school and if the weather gets better and kids can make it in safety. Contact Number Ron Beegle/AD: 517-541-5160
Corunna	Our policy is case-by-case. Our main thought is to play the event if it is possible. We usually try to make a decision by 12:00 noon (if we can). If we have to wait until later in the day we will do that. This is usually done in direct communication with the opponent's Ad, our bus garage and our superintendent. Contact Number Chris Curtiss/AD: 989-743-4600
DeWitt	DeWitt has a "wait and see" approach. If the storm occurs in the night prior to the next day events, we determine if the storm has passed and roads are clear. We will then go ahead with the evening events. If the storm is hitting during the day and afternoon of the scheduled event and worsens during the day, we cancel. We try to have all events determined to play or cancel prior to 1:00 PM. The AD, superintendent and principal all confer in making the decision. Just because we don't have school doesn't mean we will cancel the events. Contact Number Teri Reyburn/AD: 517-202-3799 Contact Number Mike Foster/Principal: 517-202-3820 Contact Number Ron Marlan/Varsity Coach: 517-712-5552
